

## FRENCH FRIED FOOLS

*Le Diner De Cons*, or *The Dinner Game*, sees a curious game of one-upmanship between a Pierre Brochant (he's French!) and his arrogant friends (French too!!) who invite "spectacular cretins" to dinner each week to see who can bring along the biggest idiot and thus be the winner of *The Dinner Game*. But, there's a twist in the baguette as Pierre declares he has found the king of the idiots, Francois Pignon (you guessed it), an accountant in the Ministry of Finance, but Pignon flings the *merde* firmly back against both the fan and Pierre. Tonight until Saturday at 8pm at Collingwood Town Hall. Bookings on 9349 2250 and [www.mftinc.org](http://www.mftinc.org).
