PRESENTATION

Melbourne French Theatre Inc. [MFT] was founded on 23 March 1977 at the University of Melbourne, and has been based first in Carlton North and then in Carlton - by lawyers Michael Bula and A. David Gorrie at the University of Melbourne. MFT has produced over 80 productions all in Melbourne, with tours to country Victoria, interstate and the South Pacific and Victorian schools. MFT is the only and longest-running French Theatre company under the patronage of the French Ambassador to Australia.

Plays are presented entirely in French with video-projected PowerPoint English dialogue-driven surtitles. Audiences are French and non-French speaking, comprising francophone community groups, primary, secondary and tertiary students, tourists to Melbourne and the general theatre-going public, as well as the deaf due to the surtitles.

MFT comprises professionals and volunteers from youth, community, technical and professional backgrounds, with paid professional directors and other theatre and artistic staff - a unique Victorian resource, celebrating Victoria's cultural and linguistic excellence both for import and export of services, presenting full theatre productions, otherwise never performed in this country.

ENGLISH SURTTILES

English surttiles represents not only accessibility of all our plays in French as for French films but also caters for the deaf.

Increase in audience numbers

In order to increase its audiences and frankly to guarantee the survival of the theatre, MFT offers community activities in the form of presentations, training and workshops to secure its economic future. MFT has devised a surttile system, which was first put in place in 1999 with great success with the increase in audience numbers and has been used and perfected in three (3) very different productions. The concept is to make our performances accessible to non-French speakers by projecting, like at the opera, surttiles in English allowing a general understanding of the play on a principal or "key" dialogue or alternatively on a scene by scene basis, allowing effortless understanding of the play.

Nature of the surttiles

The surttiles are an original creation for and dependent upon the constraints of each show.

Language access – French and English

The theatre is constantly battling to keep up audience numbers in the face of heavy competition, difficulties with language and could cease to exist if this "language access" system does not continue.

MFT BENCHMARKS

It is not easy to measure an intangible asset or outcome, especially as a cultural product or service, perhaps this can be presented in benchmarks, first in summary and then in years:

IN SUMMARY

MFT was founded in 1977 – its longevity is a testimony to its unequalled success.

In that time it has received regular and infrequent private company support, funding from the Victorian Multicultural Commission and the French Embassy, the latter very hard to obtain, as a measure of the encouragement, support and recognition the company has forged its niche in the competitive and fickle cultural services sector.

MFT was placed in its formative years in 1986 under the patronage of His Excellency the French Ambassador to Australia. MFT is the only theatre company in this country to have ever received and continue to receive such an accolade and honour.

Collaboration agreements were executed between MFT and The University of Melbourne and the Australian Catholic University for mutual assistance and collaboration for joint ventures.

Audience numbers are increasing – productions can attract anywhere between 800 and 1,500 spectators for seven shows only [five evenings and two matinees – one being a school's or students' matinee and the other a family/retiree one].

Primary [on occasion] and secondary school students make up 30 % to 35 % of audience numbers with strong support from the education and language sectors.

Rising volunteer numbers from professionals such as set designers, costume designers, technical and graphic artist staff [not seeking their just professional fee] demonstrate on-going success of MFT as a company providing valuable work experience in a French-language and literature environment.

Receipt of an award to Michael Bula 2006 for service delivery to Multi-cultural Victoria – Arts from Victoria's award for excellence in multicultural affairs from the Chairman of the Victorian Multicultural Commission and the Premier of Victoria.

Decoration from the French government conferred upon Michael Bula in recognition of the promotion of the French culture through theatre - *Chevalier de l'Ordre National du Mérite* – in 1998.

Inclusion of MFT in numerous online and hardcopy directories as sole French theatre company recognised in this state and in Australia inclusion on the Commonwealth Register of Cultural Organisations.

INTRODUCTION – 1977 to 2021 MELBOURNE FRENCH THEATRE INC.

44 Year History

Melbourne French Theatre (MFT), an Income Tax Exempt Charity and Tax Deductible Gift Recipient, was founded in 1977 by Michael Bula and David Gorrie. In 1985 MFT was constituted as a non-profit incorporated association and was placed under the patronage of the French Consul General in Melbourne. In 1986 MFT was honoured to receive the patronage of His Excellency the Ambassador of France to Australia as a measure of the official recognition and prestige the Company has attained over the years. In 1991 MFT was entered on the Register of Cultural Organisations administered by the Department of the Arts in Canberra, thus providing tax deductibility for all private donations.

Michael Bula, Executive Director of MFT, as Algernon in "L'Importance d'être Constant" by Oscar Wilde 1996.

Sponsorship

The Company is sponsored or supported by a number of Australian and French companies established in Victoria as well as through business and private donations.

Victorian Multicultural Commission

MFT is proud to acknowledge the invaluable financial and moral support from the VMC for more than 10 years, without which MFT could not function to its present levels. VMC grants ceased in 2011 and MFT hopes they will recommence soon.

Productions

Two to four productions are mounted each year being mainly theatrical plays either entirely in the French language or in bilingual (French/English) form, supported since 1999 by a sophisticated and innovative system of English surtitles which were developed by Michael Bula by video-projected PowerPoint – to increase the number of spectators, especially anglophones. On some occasions *cafés-théâtres* and other projects are presented. The Theatre draws its inspiration for plays from a large repertoire of French playwrights from the Middle Ages until the present day.

Professional support

MFT employs professional directors, artists, set designers, technicians and other staff who may change from production to production to enhance the great variety of styles and presentation of theatrical works. The Company has performed in conventional and experimental theatre spaces as well as in National Trust mansions.

Australian and International Tours

MFT has toured three (3) times to New Caledonia - in 1988 with *Le Jeu de l'Amour et du Hasard* by Marivaux, in 1989 with *Pauvre Béto* by Jean Anouilh and in 1991 with *Le Médecin Malgré Lui* by Molière. The last tour to the South Pacific was of the bilingual adaptation of *Hôtel Paradiso* by Georges Feydeau/John Mortimer created by Jean Papillon to Vanuatu in August 1993.

The company toured a number of times with great acclaim to in Australia on occasion by special invitation of the French Ambassador to Australia with the Marivaux classic *Les Fausses Confidences* in February 1993, *Antigone* by Jean Anouilh in May 1994, being *Huis clos* by Sartre in May 1995 and *Dormez, je le veux* by Feydeau in late 1998 to the St Arnaud French Festival and March 1999 for the Canberra International Multicultural Festival. The production of *Le Père Noël est une Ordure* toured to the inaugural Adelaide French Festival in November 2000.

In 2007 the special MFT adaptation of *Le Petit Prince* directed and adapted by Karen Berger toured to more than 45 primary and secondary schools throughout Victoria, preceded by a preview season in June and a full production in December attracting nearly 7,000 spectators in all. In 2018, Michael Bula revived the show and directed it for school tours again.

In 2010 Michael Bula conceived and directed *Des Courtes Lignes de Courteline* – 4 specifically modern adapted 1 act plays for schools, successfully and continues in 2014 and 2015.

In 2013 the *Le Petit Nicolas* student workshop tours began and continues in 2014 and 2015.

Management

The Theatre is managed by Michael Bula assisted by a Council of professionals from the fields of law, accounting, the arts, university administration and teaching in order to provide the wide base that is required to administer the specialised enterprise of presenting live French theatre in Australia and overseas.

Producer

Michael Bula is MFT Producer and main finance and infrastructure provider through his legal office Michael Bula Solicitors, International Lawyers and Notaries. He owns the trade mark name.

Productions

The Theatre has presented some 105 productions during its existence. Amongst its actors are to be found professionals and amateurs alike of French, Australian, European and other nationalities and origins. For a full list – see our website at www.mftinc.org.

Official Patronage

The French Embassy [now with funding reinstated in 2013] and the French Consulate General actively support the activities of MFT and all its endeavours. MFT also shares a healthy relationship with other French interest and cultural groups such as the *Alliance Française de Melbourne* and the French-Australian Association.

University of Melbourne

In May 1995, MFT concluded an historic association agreement with the Department of French and Italian Studies at the University of Melbourne, where the Company was founded. The agreement provides for, amongst other things, exchanges and cooperation for the promotion of mutual interests, student and staff participation in MFT activities, a staff member appointed *ex officio* to the MFT Committee, as well as the Theatre officially forming part of the prestigious University community.

A new Memorandum of Understanding was signed in October 2014 to strengthen ties, collaboration and presentation of shows on campus.

Australian Catholic University

In June 2006, MFT signed a Memorandum of Understanding with the Australian Catholic University, to collaborate on various levels and cement relations in the use of Central Hall.

Monash University

In January 2014, Student Placement Agreement signed with Monash University [Translation and Interpreting Studies] to provide translation students to prepare and operate the English surtitles system for productions [Marc Orlando].

Audiences

Audiences are made up of French speaking ethnic groups, French speaking Australians as well as school and university students. The very existence of MFT serves to fill a cultural need in the presentation of the most exciting vehicle and exponent of French culture - live theatre. English surtitles also enable the open access to the hearing-impaired.

Other Services

MFT is also an agency which provides French "looking" and speaking actors and extras for films, TV, commercials and photographic work.

General

The Theatre provides an opportunity for the public, students at all levels, francophones and francophiles including certain French-speaking ethnic communities, the hearing-impaired [due to the surtitles] and lovers of French drama to witness, participate in and enjoy the excitement of quality French theatrical productions.
